Honoured Sir,

I pray for your kind permission to submit my prayer that you may be graciously pleased to place me in the grade 750-50-1000. I beg of you to permit me to bring the following facts for your kind consideration.

After a service of over 20 years, I have now been drawing Rs. 550/-. I have hardly six years of service before me and if I am to continue in the same grade as I am now placed I would not even reach the maximum in the present grade.

I realised however that I had only a Bachelor's Degree and consequently, I felt that, in spite of my long, efficient and faithful service, I was not in a position to press my claims for getting a higher grade. I also realised that the absence of the Highest degree placed me under great handicaps in service. After having worked as Medical Officer of the Cheluvamba Hospital in 1944 for 10 months, I had to go back because it was thought that a University Professor should have a higher degree. Therefore in 1945 when the war was still on, I decided to take the great
